Entrepreneurship Essentials for the Military Community

FROM SERVICE TO SUCCESS

Entrepreneurship Resources for the Military Community

Are you a veteran, military spouse, or member of the military community and want to learn more about starting your own business? This free United States Patent and Trademark Office (USPTO) event series offers you the resources and tools to help you succeed.

You will hear from highly regarded experts in business development and intellectual property (IP) protection, as well as successful military spouses and veteran entrepreneurs who will share tips on topics ranging from:

- Protecting your brand and ideas
- Market analysis and financing
- Honing in on your business plan

A question-and-answer session will follow each presentation.

You can register to attend any or all of the webinar sessions. To learn more and to register, please select from the list below.
