Cisco Networking Academy is one of the world's longest-standing IT skills-to-jobs programs. In fiscal 2023 we set a goal to provide digital and cybersecurity skills training to 25 million more people over the next 10 years. Through the breadth of our high-quality courses, engaging learning experience, EdTech platform, and unmatched partner ecosystem we power an inclusive future for all.

*Laura Quintana
Vice President & General Manager, Cisco Networking Academy*

*In-kind contributions and metrics as of end of Cisco fiscal 2023

*Inception 1997
