Case IPR2026-00186

U.S. Patent No. 10,051,556

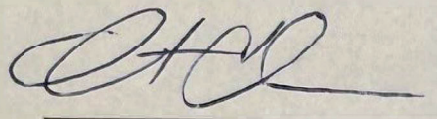

---

**DECLARATION OF MR. CURTIS DODD**

I, Curtis Dodd, make the following declaration based on my own personal knowledge and, if called to testify before the Patent Trial and Appeal Board, could and would testify as follows:

1. I currently serve as the Chief Licensing Officer and Chief Intellectual Property Officer for Harfang IP Investment Corp. (“Harfang IP”), of which Patent Owner Golden Eye Technologies LLC (“Patent Owner”) is a wholly-owned subsidiary. I have personal knowledge of and direct responsibility for the management, enforcement, and licensing of Patent Owner’s wireless networking patent portfolio that includes **U.S. Patent No. 10,051,556** (’556 patent).
2. The ’556 patent has previously been licensed by multiple third parties, including Fortune 500 companies and leaders in the wireless networking industry. The ’556 patent was first licensed by Patent Owner in 2021.
3. Patent Owner and its parent company Harfang IP have maintained an active licensing program for its wireless networking portfolio that includes the ’556 patent since acquiring the patent in 2020. Patent Owner’s licensing program is described publicly on Harfang IP’s website <https://harfangip.com/home/licensing/portfolios/get/>, a true and correct copy of which is attached and submitted as Exhibit 2010.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed in Laguna Beach, California, on March 12, 2026.

A handwritten signature in black ink, appearing to read 'Curtis Dodd', is written above a solid horizontal line.
